To Whom It May Concern,

It is my pleasure to write this letter on behalf of **Trevor Jones** and the **Jones Family Foundation**, who have been among the Avalon Recovery Society's most generous and enduring supporters. Since 2007, Trevor and his family have demonstrated an extraordinary commitment to our mission of supporting women and families on their recovery journeys.

Through the Jones Family Foundation, Trevor has contributed [REDACTED] to Avalon Recovery Society's programs and initiatives. His generosity has had a profound and lasting impact—helping us expand our reach, strengthen our programming, and provide vital support services to women and families seeking recovery, hope, and community.

Beyond his financial contributions, Trevor has been an active and compassionate advocate for our work. His thoughtful leadership, humility, and long-term commitment reflect the deep values that guide both his family and professional life. The Jones family's continued partnership has strengthened Avalon Recovery Society and allowed us to make a meaningful difference in the lives of those we serve.

We are deeply grateful for the Jones Family Foundation's ongoing support and belief in our mission. Trevor's involvement exemplifies true community leadership and philanthropy at its finest.

Please feel free to contact me directly at 604.753.7250 or quincey@avaloncentres.org should you wish to discuss Trevor's contributions or involvement further.

Sincerely,

Quincey Kirschner
